FACE

HYDRAFACIAL™ 45 min | € 120.00

The HydraFacial™ treatment is the newest breakthrough in skin resurfacing technology. This revolutionary treatment combines cleansing, exfoliation, extraction, hydration and antioxidant protection simultaneously, resulting in clearer, more beautiful skin with no discomfort or downtime. The treatment is soothing, moisturizing, non-invasive and non-irritating. It highly improves the appearance of fine lines, wrinkles, congested and enlarged pores, oily or acne-prone skin, hyper-pigmentation and brown spots. With results comparable to more aggressive chemical peels and microdermabrasion you will find this new approach a refreshing and relaxing alternative.

REVEAL IMAGER™ (SKIN CONSULTATION) 15 min | € 50.00

Canfield Complexion Analysis is a method of localization and analysis of skin damage. It is a useful diagnostic tool for the choice of suitable treatment and also for the follow-up of treatment results. Using Canfield’s exclusive RBX Technology, it shows subsurface pigmentation and vascular features to help skin care professionals develop highly targeted treatment recommendations.

DIAMOND MICRODERMABRATION WITH VITAMIN C 45 min | € 150.00

This treatment involves mechanical exfoliation that is perfect for dull, oily, blotchy or sun damaged skin. It minimizes the appearance of fine lines, wrinkles and age spots, enlarges pores, evens skin texture and blemishes.

The treatment is enhanced by a powerful anti-oxidizing effect of Vitamin C.

MICRONEEDLING COLLAGENESIS 45 min | € 120.00

Microneedling treatment ensures the improvement of skin tone, scars and stretch marks leading to fresh and radiant skin. Simultaneously during the treatment the therapist deposits vitamins and other healthy ingredients which penetrate immediately and easily in the deepest layers of epidermis.

FIRE & ICE REJUVENATING TREATMENT WITH AHA* 45 min | € 120.00

This treatment starts with a mild facial peeling using acids with low molecular weight and high bio-activity, which is one of the most effective methods for improving the appearance of the skin. A refreshing, chilly facial mask is applied ultimately for supreme results. Fine lines are being reduced and skin discoloration areas (such as freckles) are adjusted, leaving the skin fresh and natural. Acne scars are also softened if present.

**After the treatment you should avoid sun exposure. Suggested from October through March.*
